# GRE WORD LIST 3

## Here are some GRE words that you might like to know:

These words are divided into categories which will make it easy for you to remember. Try forming sentences with each of these words. Also identify different word forms for these words. A few will be done for you, try to find out the rest. **An example has also been done for you.**  
Good Luck!

Remember! GRE does not concentrate on you knowing the meaning of one word form. The structure of the test is such that word forms and understanding of word forms are tested rather than just the meaning.
